House Charities®
Richmond**

POP TOPS

The Ronald McDonald House Charities of Richmond provides a "home away from home" for families traveling to the Richmond area while their children receive medical treatment in local hospitals. It takes a lot to make this House a home and we couldn't do it without all your help!

**SOMETHING SO SMALL,
CAN MAKE SUCH A BIG
DIFFERENCE**

By collecting the pop tops from aluminum cans and bringing them to RMHC Richmond, you can help us continue to carry out our mission of keeping families close.

We receive about .50 cents per pound of pop tops through our partnership with United Scrap Metal. Each year, we raise vital funds through pop tops thanks to the generous support from schools, businesses, service organizations, and individuals in the community!

HOW IT ALL ADDS UP

10 lbs	1 Meal for Family
27 lbs	1 Night Stay for Family
55 lbs	1 Weekend Stay for Family
190 lbs	1 Week Stay for Family
