

Virtual Volunteer Opportunities

Since our in-person volunteer opportunities have been suspended due to COVID-19, we have pivoted to ensure volunteers have meaningful ways to support RMHC Richmond. We have been amazed by the outpouring of support from the Richmond community which helps us provide for families while their child is receiving treatment.

All donations can be dropped off on our front porch daily from 9 am to 9 pm. Please contact Diana at diana@rmhc-richmond.org with any questions. Thank you for your support!
